IIT Kharagpur

Our Growth Journey

2015

Company Incorporated

Started with a vision to transform education.

2017

ATL Program & Global MoUs

Enlisted for ATL Program (NITI Aayog); MoUs with companies in USA, China, and Hong Kong.

2018

Best Startup Award

Received Best Startup Award; expanded to 5 states and completed ATL in 500 schools.

2022

National Expansion

Reached 22 states and covered 2,200+ schools.

2025

AI Platform Launch

Launched AI-powered teaching and assessment platform.

2026

4,000+ Schools Reached

Reached over 4,000 schools nationwide, bringing our mission closer to students everywhere.

What We Provide to Schools

Comprehensive EdTech solutions for modern classrooms

Teaching Learning Materials (TLMs)

Robotics, AI & Tinkering Labs

Smart Classroom Solutions

Co-curricular & Enrichment Kits

Experiential Learning Kits

Teacher Enablement & Training

Labs & Infrastructure

Comprehensive solutions for next-gen learning environments

ATL Labs

- Complete ATL setup with tools
- Safety-compliant furniture
- Full implementation support

Interactive Flat Panels

- Pre-loaded educational content
- Interactive teaching software
- Multi-touch capabilities

AI-ML Labs

- AI & Machine Learning kits
- 3D printing technology
- Coding Clubs curriculum

ICT Lab Setup

- Desktop computers with software
- Projectors & display systems
- Networking & UPS backup

Aeromodelling & Projects

- Aeromodelling toolkits
- Exhibition project materials
- Hands-on training programmes

Smart Classrooms

- Digital learning resources
- Learning Management System
- Video-based instruction

Our Implementation Showcase

Our Track Record

A decade of building AI, Robotics and Innovation Labs that bring hands-on learning to schools across India.
